*Holiday Season 2012*

## SEASONS GREETINGS

This Holiday Season our thoughts turn gratefully to those who have made our progress possible.

*Payson Casters, Inc.  
and its subsidiaries are  
American born companies.*

## CUSTOM PRODUCTS BUILT TO FIT

*Roll-A-Way Conveyors and Payson Casters builds what the customer wants! In addition to our bread and butter products, we continue to produce a variety of specialty items like this order picking cart.*

Custom designed for workers who perform multiple tasks, this powder-coated order picking cart offers many time saving benefits.

- The slight incline of the shelves allows packages to flow naturally downhill for faster and easier order picking.
- Convenient storage trays hold markers, tape guns, calculators, etc.
- 5" x 2" non-marking grey poly wheels in both swivel and rigid configurations provide easy tracking down long aisles.
- With a hefty 1,200 lb weight capacity, this cart saves time and energy by reducing the number of trips a worker needs to make.

For more information on custom products, please call **800-323-4552** or visit **[www.roll-away.com](http://www.roll-away.com)** or **[www.paysoncasters.com](http://www.paysoncasters.com)**.

# NEW! 2012 PRODUCTS

*It has been a productive year for Payson Casters and its subsidiaries. Here are some of the new, American-made products that we introduced over the past twelve months.*

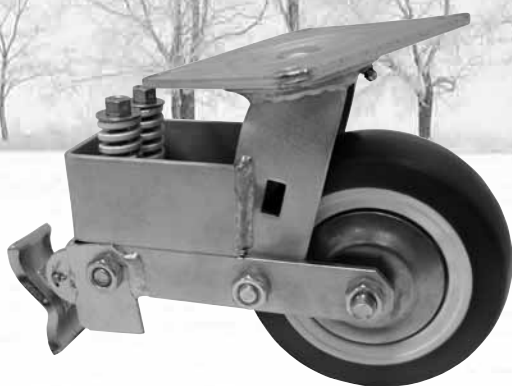

## LEVELLING CASTER

Tested up to 4,000 lbs with a static load, this caster allows you to take the casters in or out of service. Now your bench, cabinet, or kitchen island will not move an inch and can be leveled to become a perfect flat surface.

## HINGED, FOLDABLE CONVEYOR

Excellent for small areas, this light-duty, portable conveyor folds to save on space when not in use.

## SPRING LOADED SWIVEL CASTER WITH BRAKE

Designed with load in mind, this caster protects from shock and or vibration. Also available in rigid.

## HEAVY DUTY KINGPINLESS

100% stainless, 100% USA made, and able to support 10,000 lbs over four casters, the Heavy Duty Kingpinless is specified for the most severe applications including heavy duty wash down, autoclaves, and medical or clean room environments.

### 4" STAINLESS STEEL SWIVEL CASTER WITH GRAY MIRABUSH POLY ON POLY WHEEL

Available in both rigid and swivel with a brake, this caster is ideal for food service and steam clean applications including heavy duty wash down, autoclaves, and medical or clean room environments.

### SPECIAL ORDER ROLLER CART WITH SAFETY STOPS

Featuring easy-roll Payson casters, this cart moves goods from one table to another with ease.

### SIDE MOUNT, SPRING LOADED, SELF LOCKING CASTER

Springs are concealed inside tubing. Also available in raw steel if your customer wants to weld tube directly to equipment.

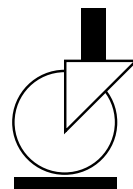

### SUPER HEAVY DUTY, DUAL WHEEL CASTER

Featuring a low profile and high capacity, this caster's rigid model supports loads up to 30,000 lbs and the swivel model supports loads up to 18,000 lbs.

# PAYSON PATER NEWS BULLETIN

## OFFER FROM TOP CADDY!

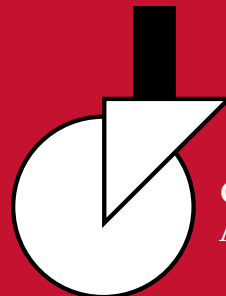

Harold Sullivan, President, caddied for Luke at the recent Ryder Cup held at Medinah. Harold got fired from the bag when he started to chant, "USA! USA! USA!" Seriously, put Harold back to work making casters with this offer:

***Order over \$200.00 from  
Payson and take \$20.00  
off your next order!***

*Must write "LUKE" on order.  
One discount per customer.  
Must order by 1-31-13.*

### ***Carl Hall — 14 years of Service***

Carl Hall retired in July 2012. Carl started working for Payson on January 21, 1998 as a forklift operator. He drove from Chicago each day with perfect attendance for many years. Carl retired as the "man in charge" of receiving for all companies. He was an excellent worker, a very pleasant and likeable person. He loves the Bears and the Cubs and wishes to do some traveling, which will include fishing. Thanks for your service.

Over 139 Years  
And Still Rolling!
